New South Wales Bar Association

Project: Professional Exam Delivery & Technical Support

Sector: Legal & Certification

Location: Sydney, NSW

NEW SOUTH WALES
BAR ASSOCIATION®

Challenge:

The NSW Bar Association required flawless technical delivery for their high-stakes professional certification exams. With tight timelines and no room for error, they required a trusted partner who could deliver seamless logistics, AV support, and ensure exam integrity.

Our Solution:

LPE managed end-to-end exam setup, including secure equipment delivery, real-time IT support, venue configuration, and staffing. Our team, including senior project leads, was present onsite to coordinate all moving parts across several days of examination delivery.

Outcome:

- Zero downtime across all sessions
- Fully compliant exam protocols
- Consistent technical and staffing support
- High praise from candidates and examiners

Testimonial:

"Tevita, Pat, Karen and the team at LPE have once again been a delight to work with, and we simply could not run our events without them. Their knowledge, technical expertise and work ethic once again helped us achieve the gold standard we are after." – Hayden Doria, NSW Bar Association.

Queensland University of Technology (QUT)

Project: PopUp Exam Centre – Bunbury, WA

Sector: Higher Education

Location: Bunbury, WA

Challenge:

QUT needed to facilitate a remote external exam for students unable to travel to campus. Logistics, venue coordination, and exam integrity all had to be delivered with minimal disruption and absolute confidence.

Our Solution:

LPE established a temporary test centre in Bunbury with secure networking, vetted supervisors, and invigilation compliant with QUT policies. We managed venue setup, technology, and candidate support—all remotely coordinated with QUT.

Outcome:

- Seamless remote exam delivery
- Fully staffed & supervised session
- No candidate issues reported
- Punctual reporting and packdown

Testimonial:

"A massive thank you for all your help in organising the external examination centre in Bunbury, WA. I was really pleased with how the staff at Lateral Plains Events' ability to help and input contributed to the success of running the examination." – David Dixon, QUT

Karstens

Karstens

Project: National Events Support Across Client Venues

Sector: Corporate Events

Location: Multicity (Australia)

Challenge:

Karstens required a flexible partner to support client events held at their venues in multiple cities. From technical setups to staff coordination, the job demanded consistency, professionalism, and adaptability.

Our Solution:

LPE provided skilled staff, IT support, and onsite event coordination across Karstens' locations. We ensured that each event—regardless of city or scope—received the same high-quality delivery and had a proactive local team.

Outcome:

- Multiple successful events delivered nationwide
- Positive feedback from Karstens' clients
- Efficient coordination across state lines
- Increased repeat engagements

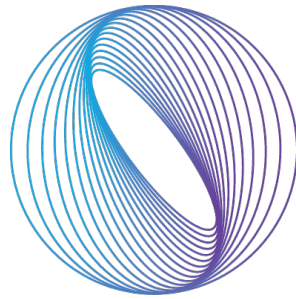

Testimonial:

"The Lateral Plains Events team are fantastic! They are professional, friendly and flexible and have gone above and beyond to ensure everything runs smoothly for our clients in all locations. I would highly recommend the team for any events." – Katrina Plant, Karstens.

EVENT SOLUTIONS

Cliftons

Project: Regional Exam & Event Delivery

Sector: Corporate Education & Events

Location: Regional Australia

Challenge:

Cliftons needed a dependable partner who could deliver high-quality event and exam support services in regional locations, often with very short notice and limited access to tech resources.

Our Solution:

LPE mobilised quickly with trained staff, portable IT systems, and logistics planning tailored to each location. We were often able to deploy within 48–72 hours, including overnight freight of critical hardware.

Outcome:

- Dozens of regional deployments
- Zero missed deadlines
- Consistent delivery across all regions
- Client can scale events with confidence

Testimonial:

"Tevita provides the best technical & admin support experience for most of our regional events & exams... They have welltrained staff & are available across every regional area in Australia. They are really 'The A Team', who can deliver events with the minimum possible notice. Our support and recommendations are always for Tevita!" – Raja Krishnaswamy, Cliftons

Elumina Elearning

Project: Exam Operations & Staff Support

Sector: Digital Assessments

Location: Australia-wide

Challenge:

Elumina required a team that could manage critical elements of their exam operations—training, staffing, setup, and communication—with minimal oversight and a strong relationship-based approach.

Our Solution:

From day one, LPE provided dedicated contacts, trained staff, and comprehensive handover plans. Pat, our staff coordinator, was instrumental in liaising with Elumina's team, ensuring all logistics and compliance requirements were met.

Outcome:

- End-to-end exam event support
- Consistent communication and flexibility
- Full client satisfaction across multiple events

Testimonial:

"Have personally worked with LP Events twice for two exam events... Pat was in constant communication from day one, through training, to completing all the allocated tasks and more—a wonderful soul to work with. Kudos to the entire team... Looking forward to more opportunities to work closely with the team." – Cleo Prakash, Elumina Elearning
